

ROZALEX DRI-GUARD®

Barrier Cream

Description

A general purpose **dry work** barrier cream designed to give protection against every day materials such as mineral oils, solvents, dust, grease, factory grime, cements and dry work in light industry etc. The product is a water based paste consisting of a blend of fatty acid soaps, china clay, glycerine, lanolin, dye, perfume and preservative.

Key properties

- Based on soap and china clay
- Lanolin Derivative

Benefits

- Gives protection against solvent and oil based contaminants
- Facilitates soil removal from skin
- Helps prevent ingress of contaminants into the skin
- Prevents skin dehydration and de-fatting

Use instructions

Dosage: Ready to use; apply undiluted.

Application: Apply 1-2 mls to clean dry skin prior to starting work ensuring the cream is thoroughly applied not forgetting the nails, between fingers, wrists and forearms. Re-apply after washing.

Important: Can be dispensed using the Rozalex Multipurpose dispenser
