

ROZALEX DRI-GUARD® EASY PUMP Barrier Cream

Description

A newly formulated general purpose **dry work** barrier cream designed to give protection against every day materials such as mineral oils, diesel oils, solvents and solvent based adhesives, inks, paints, lacquers and varnishes. Also protects against dust, grease, factory grime, cements and all dry work in industry etc. The product is a water based paste consisting of a blend of fatty acid soaps, china clay, glycerine, lanolin, dye, perfume and preservative.

Key properties

- New pumpable version of the industry leading dry-work barrier cream
- Available in 3 litre jars for wall mounting or 250ml handy pump bottles
- Based on soap and china clay
- Lanolin Derivative

Benefits

- Gives protection against solvent and oil based contaminants
- Facilitates soil removal from skin
- Helps prevent ingress of contaminants and sensitisers into the skin
- Prevents skin dehydration and de-fatting
- Prevents dermatitis

Use instructions

Dosage: Ready to use; apply undiluted.

Application: Apply 1-2 mls to clean dry skin prior to starting work ensuring the cream is thoroughly applied not forgetting the nails, between fingers, wrists and forearms. Re-apply after washing.

Important: 3 litre pack can be wall mounted using the Rozalex Wall Mounted Bracket and can be pumped with the re-useable Rozalex 3 litre Lid & Pump.
